

Administrative Manager Job Description

WHO WE ARE

Construction Trades Workforce Initiative (CTWI), is the nonprofit partner of the Alameda, Contra Costa and Napa/Solano Building Trades Councils. Founded in 2018, CTWI works to strengthen policies and workforce systems to expand opportunities for underrepresented populations in union construction careers. We bridge the gap between organized labor and key community stakeholders through authorizing and overseeing MC3 pre-apprenticeship programs, providing educational services and technical assistance and conducting research, all aligned around our goal of creating a more inclusive, highly trained and safe workforce.

WHAT WE ARE LOOKING FOR

Our organization is quickly growing because we offer a unique set of services that is in high demand. We are looking for a new team member who thrives in a fast-paced environment, loves creating internal systems and supporting documentation, supporting back end financial operations, interested in data and organizing information, can manage multiple projects that serve a wide range of clients, has experience developing and overseeing data tracking systems and can work collaboratively to shape and advance our organization's mission through strategic thinking, design and implementation.

WHO YOU WILL BE WORKING WITH

We are a small and mighty team of two! Our backgrounds range from former educators to community organizers. We are highly collaborative and support each other in achieving programmatic and organizational goals. We believe in unions and the important role they play in creating middle class careers. We are committed to creating more union construction careers for underserved populations.

YOUR ROLE & RESPONSIBILITIES

Under the support and direction of the Director of Programs and Executive Director, the Administrative Manager will work in partnership with the Building Trades Councils, Joint Labor Management Apprenticeship programs, approved MC3 Pre-Apprenticeship and other key stakeholders to develop partnerships, pipelines and policies that ensure connections to, and entry into, state-approved apprenticeships for underserved populations.

Your Responsibilities Include:

1. Work with ED and bookkeepers to manage the accounts payable, receivable, QuickBooks transitions and overall financial health of the organization.
2. Maintain cost-allocation documentation and procedures
3. Create systems and documents that will increase the organization's financial and operational workflow and productivity

4. Manage operational records and related documents (e.g., insurance paperwork, yearly filings, etc.)
5. Oversee and manage organization's healthcare and benefits plan
6. Initiate and oversee budget modifications for programs
7. Provide Technical Assistance and documentation on CALJOBS Data Systems
8. Develop, maintain and oversee the organization's data systems.
9. Provide project management, process improvement, and strategic planning support, including the development of short and long-term goals, success factors/metrics, and action plans for assigned projects.
10. Facilitate educational workshops and math test preparation classes for programs and clients
11. Perform such additional duties as may be assigned or required.

YOUR QUALIFICATIONS

- Bachelor's degree required (preferably in education, non-profit management, or construction management) OR completion of a state approved construction apprenticeship program
- Minimum of two years of experience managing multiple fast-paced projects.
- Demonstrated knowledge in developing, overseeing and implementing new data systems
- Demonstrated knowledge in tracking, monitoring and reporting quantitative and qualitative data in existing databases
- Demonstrated commitment to growing organized labor
- Demonstrated ability to work independently, and as part of a team
- Excellent communication skills, both oral and written
- Extremely organized and able to multitask, prioritize and meet tight deadlines
- Strong public speaking and presentation skills.
- Strong problem solving and interpersonal skills.

YOUR COMPENSATION

Salary to be negotiated depending on qualifications and experience. **This is a full-time non-exempt position with premier retirement and health and wellness benefits through the Teamsters Local 853 plan.**
